

2022 Annual Scholarship Award for Audiology Doctoral Student

The Hearing Loss Association of New Jersey is pleased to offer one scholarship in the amount of \$1500. NJ residents enrolled in a audiology doctoral program or a graduate student enrolled in a NJ audiology doctoral program are invited to apply. The Scholarship is a one-time award that encourages and recognizes academic achievement, leadership qualities, community service, and work experience.

Funding for the Scholarship Awards is generously provided by the Garden State Walk4Hearing event in October 2021. This annual Walk4Hearing held in West Windsor, NJ, is one of 22 walks organized by the national office to raise both funds and awareness of hearing loss. With over 14 state organizations and 200 chapters, the mission of the Hearing Loss Association of America (www.hearingloss.org) is “to open the world of communication for people with hearing loss, through information, education, advocacy, and support”.
