

HLAA-NJ NEWS, VIEWS & DATES JANUARY 2017

*Compiled by Joel Strasser, APR, Fellow PRSA,
President, Hearing Loss Association of NJ (HLAA-NJ)*

**Next HLAA-NJ Board Meeting is Saturday, February 4th at 1
PM at the East Brunswick Library. All are welcome to
attend.**

Happy New Year to all our friends and their families!!!

The officers, trustees and board members of the Hearing Loss Association of America's New Jersey State Association extend warm and hearty best wishes to all our readers and members for a very Happy, Healthy and Productive New Year in 2017 that will be filled with history, accomplishment, and notable improvements that can be best applied to those of us with our "invisible disability."

Looping Progress

By Carol Granaldi

The Jewish Museum of Monmouth County responded favorably to my request that they upgrade their sound system and install a loop so members can hear dialogue during performances and workshops that are presented. Hopefully I will be invited after the first of the year to test the installation when they have it. Perhaps other HLAA members would be motivated to approach other venues in their communities to use the material from our Annual Meeting regarding induction loops to educate the venue. In January, there's a workshop at RWJ Hospital by their audiologist about tinnitus, and I will approach her about installing a loop in their meeting room. "Nothing ventured, nothing gained." Best holiday wishes to you and yours.

Looping Request Cards Available

When Juliette Sterkens, HLAA's national hearing loop coordinator, visited us in New Jersey in November, she provided us with large quantities of Looping Request Cards, to be given to facilities and venue managers and owners to formally request that they install looping in their locations. If you would like a quantity of these cards to give to owners and managers of non-compliant facilities, please contact Joel Strasser, (joel.strasser@hearingloss-nj.org). Be sure to provide me with your US postal mailing address, as that's probably the only way I can

get the cards into your hands. When you give the cards to facility managers, be sure to also give them copies of our looping installers list, which is posted in the looping section of our HLAA-NJ website.

Each card has the looping disability emblem, along with this message: “I’m one of 48 million Americans with some degree of hearing loss. Today, I had great difficulty hearing the proceedings in your facility. May I recommend you consider installing a Hearing Loop? A loop would make your venue hearing-friendly and ADA compliant?”

Chapter News for January

Chapter leadership opportunities: If you are located in or near Middlesex, Bergen, Ocean or Monmouth Counties, HLAA-NJ has both participatory and leadership opportunities available for members who want to either join or start or help re-start chapter operations, or assist with the augmentation of programs in those and other areas throughout New Jersey. If you are interested, you can count on state association leadership help for moral support, some financial aid and program assistance to help move things along. If interested, please write or call directly to joel.strasser@hearingloss-nj.org or telephone [732-475-7399](tel:732-475-7399). Or, if you are located in an area where participatory opportunities have slowed or closed, watch for a personal letter to arrive by regular US postal mail for further opportunities to join or to sign on to a new committee now in its formative stages.

HLAA-Morris County Chapter will meet on Saturday, January 14, 2017, to meet and hear Pam Pascowitz, (back by popular demand), discuss the latest in aural rehabilitation. Come to the meeting to learn more. Coffee and Conversation at 10:00 AM; presentation from 10:30 to 12:30. Location is Summit Speech School, 705 Central Avenue, New Providence, NJ. For further information, please contact Pat Dobbs at pat.dobbs@hearingloss-nj.org

In addition, HLAA-Morris County seeks to attract 18 - 35 year olds so they can start their own group. Please pass this information on to anyone in that age group. Questions may be directed to Pat.Dobbs@hearingloss-nj.org

HLAA-Paterson Chapter will meet Saturday, January 7, 2017, at 2:30, PM, at the Paterson Main Branch Library, (Assembly Room), 250 Broadway, Paterson, NJ 07501. New committee members are welcome. For further information about meetings or programs, please contact Sharrieff Bugg at [862-262-8862](tel:862-262-8862), or email minister7929@aol.com

HLAA-Middlesex County Chapter, held its final meeting in November 2016. For further information about future plans and opportunities, please watch for a personal letter to arrive in the US postal mail. If you have questions or further interest, please contact joel.strasser@hearingloss-nj.org, or telephone [732-475-7399](tel:732-475-7399).

HLAA-Essex County Chapter For questions or info about

this chapter and meetings, contact Latisha Porter-Vaughn
at Latisha.Porter-Vaughn@hearingloss-nj.org

HLAA-South Jersey Shore Chapter will meet Thursday, January 19, 2017. This group serves deaf and hard-of hearing residents of Cape May, Atlantic and Cumberland Counties, and meets starting at 6 PM, at Cape Regional Medical Center, Maruchi Room, 2 Stone Harbor Boulevard, Cape May Court House, NJ 08210. Interested participants are encouraged to make further contact with Carolyn Richards at Carolyn.richards@hearingloss-nj.org

HLAA-Bergen County Chapter remains on hold with no regular general membership meetings for the immediate future while the Chapter works to install a looping system in one of its possible meeting places, either the Ethical Culture Society building in Teaneck, NJ., or the Puffin Center. Other locations being considered include the Ridgewood Public Library and/or the Teaneck Public Library, with one or both considering adding looping. Potential members interested in serving on a staff committee of potential chapter leaders should make their interests known. Until there is more to report, the Chapter welcomes comment and participation from those interested in the local Bergen County chapter effort, as well as contact from interested potential members and leaders, who are invited to contact Ken Keuhlen at kbk1011@hotmail.com

HLAA-NJ Assembling List of Looping Installers for New Jersey

Looping installers in or near New Jersey who would like to be listed in an active directory to work on projects, facilities or venues inside the State of New Jersey are being asked to make contact with HLAA-NJ so that we can refer you for projects being planned or researched. Also, facility managers or owners who have used looping installers to satisfactorily complete projects within New Jersey are asked to recommend such installers by providing us with company names and contact information so that their services can be listed in a statewide directory now being compiled for use by HLAA-NJ and by state officials who seek to refer projects for subsequent installation.

To list installers in the New Jersey Looping Installers directory, please send information directly to: joel.strasser@hearingloss-nj.org, or telephone [732-475-7399](tel:732-475-7399). Be sure to include company name, e-mail address and business telephone numbers, and the name of the company's principal contact or project manager for looping installations. In addition, please let us know if there is any cost involved for providing an estimate, and if you have any comments, good or bad, on the quality of the installer's workmanship and/or installation quality. Please indicate if the installer's work meets or exceeds the IEC 60118-4 international standard.

Important Dates on the 2017 HLAA-NJ State Calendar

Members and friends of HLAA-NJ are cordially invited to attend business meetings and other functions of HLAA-NJ as we meet at various times during the year to plan and finalize the activities of the state association. Help us further our collective mission to represent and provide New Jerseyans with hearing loss with information, education, support and advocacy outreach that allows them to function in mainstream society, and enhance their quality of life, while raising awareness of hearing health/hearing loss.

Our successful initiatives have included bringing captioned movies and open captioned live theater to NJ, improving patient care in hospitals/medical settings, an annual scholarship program for high school seniors with hearing loss, bringing captioned telephone and conference call services to NJ, ensuring full communications access at public events, and advocating for increased funding and staffing at agencies and organizations serving people with hearing loss.
