Hello, my name is_____

I use hearing aids to hear and to communicate. Like most persons with hearing loss who use hearing aids, I often experience difficulty hearing in large gathering spaces even if a Microphone and PA system are used.

On _____ (date) I experienced significant difficulty hearing what was said when I was at your facility. If you would like to discuss this further I can be reached at: _____

May I recommend your facility install a Hearing Loop? Induction Hearing Loops:

- Broadcast sound from the public address system wirelessly, much like Wi-Fi, to a hearing aid with a telecoil
- Deliver sound customized for one's own hearing
- Do not require those with hearing aids to seek, wear and return special equipment plus are inconspicuous to use
- Accommodate one or 100+ persons at the same time
- Portable receivers are available for non-hearing aid users

For more information: www.hearingloop.org
